Philosophy

At Yogies Playhouse we believe that a solid foundation laid in the early years is crucial to the child, belonging, being and becoming. We have developed educationally appropriate programs that support the Early Years Learning Framework while acknowledging the importance of learning through play.

We believe that each child is a unique and valuable individual in control of their own learning. We encourage development of self-worth, as well as respect for others through enriching daily interactions and activities. We believe that children are theory builders and problem solvers, who learn best by making meaning of their world through play, relationships and experiences. We value children as social beings and recognise that they co-construct knowledge with peers, their families and staff.

It is our strong belief that each child is given the opportunity to evolve and develop in an environment which supports and develops their individualism as well as nurturing their strengths, aspirations and sense of self.

It is our aim to provide an open friendly environment where all parents/educators and children feel accepted regardless of culture, religious and family beliefs, socio-economic status, gender or disability. We believe in closing the gap between Indigenous and non-Indigenous Australians through awareness and education. We value what each individual has to offer to our centre and encourage all to share the same. We recognise the family unit as the primary educators in a child's life.

We are committed to the care of the whole child and therefore maintain strong links with the wider community to ensure that the care we provided is based on current early childhood practices. We value the diversity of Australian culture and actively encourage outside involvement in our centre. We aim to make the transition from home to centre as smooth and meaningful as possible for both child and parent/guardian.

We aim to communicate on varying levels with parent their child's progress and accomplishments. We believe in open lines of communication based on mutual respect and a desire to promote each child's learning and wellbeing.

We believe that the child's learning environment influences the child's desire to discover their surrounding and the people within, hence developing relationships. The learning environment is culturally constructed and provides a variety of opportunities for exploration and play. We believe that the child's nurturing environment will give security and a sense of belonging to the child and their family.

At Yogies Playhouse we strive to develop trust, respect and responsibility among all relationships. We value the need of the child as paramount and strive to remain open so that all voices can be heard, all possibilities realised and all potential fulfilled.

Grievances, Complaints and Feedback

If for any reason you are not happy with the Service's level of care or care environment we want to know immediately. You can discuss this with Educators or formally write a letter. When any matter is raised the Service will be following our Grievance Procedure Policy. All Service policies are made available to parents. Positive feedback is most welcome too.

Child Care Benefits

A family subsidy (Child Care Benefit) is available from the Family Assistance Office (FAO). The Family Assistance Office will assess parents' taxable income and a scale will be used to determine the amount of assistance each family will receive. The assistance may be claimed at a reduced Service fee or at the end of the financial year. Every family regardless of their income is entitled to this assistance. For further details please speak to our Nominated Supervisor or contact FAO on 13 6150.

The Service is opened for **11** hours per day, **50 weeks** per year and caters for children 6 weeks -6 years.

The Daily Routine

Although the routines of each room and age group will vary, the same aspects are contained in each. We endeavour to provide a home and family environment at the Service where the children feel comfortable and secure at all times and our daily routines reflect this.

Yogies Playhouse Parent Handbook 2016

(children and adults) by coming in for visits before commencing care.

- Ease your child into care with short stays to begin with.
- Provide a favourite toy, blanket or comforter to support your child when they are separating from you or settling to sleep. This can help your child feel more secure.
- If your child is unsettled, short visits with you will help your child to gain trust with an unfamiliar environment. These visits can be made on a day when your child is not booked to attend.
- Interactions between Educators and parents or Educators and other children can produce positive role models and be reassuring. This experience can help to establish trust in an unfamiliar setting.
- Try to talk at home about child care. Mention the names of the Educators and other children. Talk about the things the child will be able to do at child care that are fun and enjoyable.
- Talk to the Educators about your child, for example, what they like to do; successful ways of settling them to sleep; foods they like and dislike and so on. This helps Educators to get to know your child.
- When leaving your child it is best to make sure you say goodbye and then leave. Hesitating and not going after you have said your goodbyes, if a child is upset, only confuses them. Reassure your child that everything is alright and you will return later, this can help them to settle.
- It sometimes helps to establish a routine when leaving. For example, giving your child a cuddle and giving them to a Educator or sitting down with them for a short play or reading a book together then leaving.
- At first some children protest strongly while others may take a day or two to realise that you are leaving them and begin to protest after several days. Children soon learn that you do return and in the mean time they are well cared for.

What to Bring

Children

Those First Weeks

The introduction into long day care can be difficult for children and parents. Children's welfare and happiness are the priority for Educators when welcoming new children to the Service and when assisting the family to settle into the Service environment. It is recognised that families needs will vary greatly in the orientation process and individual needs will be met as best is possible.

The following outlines some helpful hints for parents on settling their child into care:-

- Make sure you familiarise your child with the environment and the people in the environment

Yogies Playhouse Parent Handbook 2016

- Sheet Sets (One fitted cot sheet and one top sheet. NO PILLOWS).
- Nappies.
- Baby Wipes
- A piece of fruit
- Water Bottle
- Additional bottles for milk (Provide your own formula if required).

Please remember to clearly label ALL items.

Birthdays

Your child's birthday is a special event in his/her life. To celebrate your child's birthday, you are welcome to bring a cake (ensuring it does not have any traces of nuts). Please check with your child's teacher prior to birthday, in case of other children having special dietary requirements.

Clothing

Parents are advised to send their children to the Service in comfortable, inexpensive clothing. The children need to be able to move around during their play period and should be unimpaired by clothing. While paints, etc will come out in the wash, accidents do happen so it is best to send the children along in their "less than good clothes". Young children enjoy and need "messy" play with paint, clay, sand, water and mud.

The Service will only have a limited supply of spare clothing. Please supply at least one change of clothing and underclothing in case of accidents, for 3-5 year olds.

Please mark your child's clothing and replace name tags if they fade in the wash. Ensure clothing is weather appropriate.

Please ensure that toddlers have about three complete changes of clothing and plenty of training pants.

Clothing safety

Please do not dress your child in clothing with cords e.g. shorts, hats etc. As these have the potential to become caught on equipment and may cause serious harm to your child.

Belongings

Please ensure all belongings are clearly labelled such as dummies, clothes etc. Lost property will be displayed for parent collection in your child's room. Parent co-operation in labelling assists the Service in keeping your child's belongings together.

The Service discourages toys from home and we will not hold any responsibility for any personal belongings. Please be reassured security items are acceptable and news items to be placed in 'News Box'.

Possessions

A soft toy or security item are acceptable for rest time. It is appreciated if personal possessions are not brought to the Service e.g. guns, toys etc. Any possessions brought must come entirely at the parent's own risk with regards to breakage or loss.

Lockers

Each child is allocated a locker. Please place bags etc in your child's locker. If your child attends less than five days per week, they will share their locker with another child.

Guidance and Discipline

Educators follow a Behaviour Guidance Management Policy which extends across the whole Service giving consistency of expectation in all rooms. This policy allows children to develop self-discipline, a respect for others and for property and respect for self.

The policy aims are:-

- To give all children the opportunity to expand their experiences of life in a productive, safe environment that allows individuals the right to safety, tolerance, self-expression, cultural identity, dignity and the worth of the individual, along with honesty in dealing with peers and caregivers.
- To be taught to respect the rights and needs of others by foreseeing the outcome of their behaviour and the consequences of their behaviour.
- To encourage the individual social development of each child.

If you require further information on this policy please ask Educators and refer to the policy book.

Rest and Sleep

Rest time routine varies according to individual needs. We aim to make rest time a relaxed, pleasant time for all children. We provide stretcher beds for children. Your child may wish to bring a security item or blanket to have at rest time. Please feel free to discuss your child's rest needs with Educators.

Parents

We believe the best way to work with you and your child is by building a **partnership of care**. To do this we want you to feel

You are given lots of information about what is happening and you are asked for your views

Communication Communication Communication

What is the best way to communicate with you?

Everybody has a different communication style and time for communication. We understand that mornings and afternoons can be a little rushed, and not the best time to discuss your child. We have many types of communication we use for families in the Service just like you. 2.1.9

At any time if you require a **private discussion with our Educators**, please inform us. This can happen face to face or by phone.

How do you like to be communicated with?

- Regular parent meetings are held where parents can raise any issues or topics they feel relevant and contribute to decision making.
- A fees/communication box is located in the Service. Parents are able to leave more detailed written messages, for the purpose of expressing concerns, positive or evaluative input that they feel they need to let Educators know about. These can be anonymous if so desired.
- Each family will be allocated an individual 'message pockets' in which newsletters, accounts and other written communication will be placed. ***It is the parent's responsibility to read these notices and ensure they are aware of current issues and events in the Service.***
- Policies will be regularly reviewed in a variety of ways (sign in area, newsletters and via files to enable parent comment on Service practices).
- Each day each family is sent an email by staff with our Daily Reflection attached. This ensures that all families get the opportunity to know what is happening day to day in their child's room.

Communication and Educators

What can you expect from Educators?

Educators will make efforts to communicate effectively with families.

- Educators will inform families promptly and sensitively of any out of the ordinary incidents affecting their child.

Yogies Playhouse Parent Handbook 2016

- Educators will share with children's families some of the specific interactions they had with the children during the day.
- Information on children's eating and sleeping patterns at the Service will be provided to families through verbal communication and through the room sign in sheet.
- When families and Educators make a joint decision that affect children's progress, interest and experience, a record will be kept in the appropriate form. (These may include new events like toilet training.)

Family Skills, Interests and Talents

We welcome all family members to our Service and we encourage when possible for families to be involved in your child's program. There are many ways for your family to be involved. We understand that our busy lives can't always afford the time, however any contribution no matter how big or small is much appreciated. Here are just a few ideas.

Your Occupation

Your child loves you and when they get to childcare all they talk about is you. You are the most important person in their world. We welcome all parents to the Service to talk about their occupation or hobby. Everything parents do interest children and these talks are the best educational resources you can provide for the Service. After occupational discussions we use it in our programming and the ideas explored from parent talks can last for weeks.

Your Home Culture

Your home culture is most welcomed in our Service, we would greatly appreciate if you were able to share with our Service aspects of your culture and family life. This would assist us to enrich the lives of all our families and children.

Reading (especially good for grandparents)

Children love to be read to. If you or your parents have the time please contact your room Educators to organise a day for reading.

Useful Junk - We are always on the lookout for recyclable items for the rooms. Empty food containers, ribbons, wrapping paper, towel tubes (not toilet or egg or milk re-hygiene and allergy) paper or anything interesting from your work is much appreciated.

Family Photos – Our aim is to create a warm, friendly and homely environment. One way we like to achieve this is by having family photos displayed. Please bring in a copy of your family for us to display in the room.

Concerts and Special Events

Our Service organises special events throughout the year. Keep an eye out as your child is sure to be a star!

Suggestions

If you have any other suggestion or idea on how we best can work together in the Service and together with your child's program please let us know.

Remember

When your family becomes involved with the Service, no matter how small or big your involvement your child will be experiencing the connection between home and our Service.

Please read this handbook carefully so you fully understand the commitment that you are undertaking and your responsibilities to the Service. When you have done so please sign and return this page to the Nominated Supervisor.
